**REMARKS**

Applicants respectfully request that the above-identified application be slightly amended to properly include the prior parent application Serial No. 07/702,492 which was inadvertently not included in the first sentence of the application.

Applicant also requests that the Official Record be changed to reflect this omission as provided on the attached copy of the Official Filing Receipt.

No new matter is being added to specification by the requested amendments, since the amendments relate only to proper priority claiming. Consequently, Applicants contend that the above amendments should be considered acceptable and entered in this case.

Applicants further petition for entry of the instant amendment under 37 C.F.R. §1.312(b), since the issue fee was recently paid on August 13, 1999.
